With Special Support From

Healthcare's Leading Marketing, Communications, Digital & Physician Strategies Summit

The Summit builds on a 30-year legacy of identifying the ever-evolving opportunities and challenges in healthcare marketing, communications, digital strategy, and physician relations and tackling them head-on. It is THE premier event where senior healthcare executives from across the country come together to share actionable strategies and solutions that drive results.

Dear Colleague:

It is with pleasure that we invite you to attend the 30th Annual Healthcare Marketing & Physician Strategies Summit (HMPS). Originally launched as the Customer-Based Marketing Strategies Forum, HMPS has evolved to address the critical challenges that face today's marketing, communications, digital, strategy, experience, and physician relations executives.

Check out the agenda. It's packed with advanced strategies and practical solutions that will help you enhance the customer experience; embrace innovative technologies; communicate to strengthen relationships and engagement; demonstrate ROI; leverage consumer insights and data analytics; explore emerging trends; and tackle nontraditional competitors.

You'll gain insights and be inspired by our panelists, concurrent session speakers, and keynoters. And you'll have the opportunity to network with friends and colleagues from across the country. We're confident you'll emerge with new, often groundbreaking ideas and approaches that will help you face—and shape—your organization's future.

Join us in shaping healthcare's next chapter!
